Missionaries of the Week

☞ **Shane & Emily Tasker, on deputation to go to the Democratic Republic of the Congo**, write, "We are excited to say that we are officially at 41% (of support raised)! God has so blessed by partnering us with amazing churches that love Him and are excited to see His Word spread worldwide.

We are almost fully booked for the year. Our summer is still partly open, but we know God will guide us to the right places. We have started booking meetings for 2025. We are still praying that the Lord will allow us to leave for the field in July, 2025. Our mini-van is still tracking on. We have safely driven over 12,000 miles since January. Please pray as the van is starting to show signs of age, that we can find the issues, fix them easily, and continue on!"
