## *Missionaries of the Week*

☞ **Scott & Melody Childs, Australia**, write, "We will be flying to the U.S. on July 31 to begin our four-month furlough. Please pray for our flights and then for our furlough. We have meetings scheduled in all 29 of our supporting churches. We will be very busy and truly need God's protection as we travel, good health, and God's blessing as we minister."

☞ **Jonathan & Sarah Farmer** will be receiving needed medical and therapy resources, specifically for Zoe and Owen, before they return to the field in August. They request prayer for Zoe's in-depth heart check in Charleston, SC, next week. We can also pray for the two 'seedling churches' that Jonathan told us about last Sunday. As the churches begin to form, we can ask God to give them a firm foundation and to give the new converts courage to live for the Lord in a hostile environment.
